The "racy" M107 has a certain functional affinity with our M103 model. Of course this is a rectangular 50x38mm ETA Valjoux 7750 chronograph automatic model with a 46 hour power reserve. The M107 has a modern and sporty look. The bracelet has racing style aeration holes and fine red stitching visible on the outside. Dials come in silver or black. The M107 has a large 46 hour power reserve, day and time display, and a Marvin red large seconds
